

Holtzclaw High School, located in his hometown of Crystal Springs, in May 1966, George relocated to Gary, Indiana. There he worked for a short time at Inland Steel before enlisting in the Army on November 29, 1966.

After completing his required training, SP4 Osborne's tour in Vietnam commenced on May 20, 1967. He is remembered for his commitment toward the ideals of freedom for all and for his concern for those with whom he fought. During his time in Vietnam, SP4 Osborne made a great impact on his fellow soldiers, one of whom would later contact his family to tell the story of the day George saved his life. Tragically, on November 22, 1967, while transporting a mortar round, it exploded, and SP4 Osborne sustained a fatal fragment wound. While there is great sorrow in his young life being lost that day, SP4 Osborne's service and sacrifice will forever be remembered by a proud community and a grateful nation.

Following his death, SP4 Osborne was posthumously awarded the Military Merit Award. For his service and sacrifice, he is also a recipient of numerous awards including the Purple Heart, Air Medal, Army Commendation Medal, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Good Conduct Medal, Combat Infantryman Badge, Vietnamese Merit Medal, and the Vietnamese Cross of Gallantry.

George is remembered fondly by his friends and family. He is survived by his brothers, Herbert, Glen and Robert Osborne, and his sister, Georgia Osborne-Davis. He was also the cherished son of George Sr. and Virginia, and the beloved brother of Melvin Wilson, Will Osborne, Lula Osborne, and Lois Osborne-Kemp, all of whom have passed on.

Madam Speaker, at this time, I ask that you and my other distinguished colleagues join me in honoring a fallen hero, SP4 George Osborne, Jr. SP4 Osborne is a true patriot who fought not only for his country but for the freedom of all people. He made the ultimate sacrifice and will forever remain a hero to his family and friends, to his community, and to all those for whom he served. Thus, let us never forget the sacrifice he made to preserve the ideals of freedom and democracy.

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 4, 2021

Mr. ROGERS of Alabama. Madam Speaker, I rise today to recognize the 100th birthday of Mary Ina Jones Hendley.

Ina was born November 25, 1921, to Fisher and Mary Griffin Jones, a farming family in South Georgia. One of 14 children, her family depended on her to help with childcare and their farm. Her father was a carpenter and businessman, so she also helped in the family store. Ina graduated high school the top of her class in Nashville, Georgia.

Like her father, she was proficient in mathematics. She worked for a local agricultural manufacturer until marrying her high school sweetheart, Willard Hendley. Willard served proudly in the United States Navy during

World War II, in the Pacific theater. They lived in several port areas during the war. Later they returned to raise their two daughters in Nashville.

Ina and Willard assumed leadership roles in the community and their church. Accounting was Ina's interest and she completed courses that led to work as a finance officer at Moody AFB, Valdosta, Georgia. She continued her education through off-campus courses offered by Troy University and attained a BS in Business. She also earned an MBA from Valdosta State University. After her daughters left home, Ina accepted a position as Payroll Supervisor at Patrick AFB, in Satellite Beach, Florida.

They witnessed rocket launches near Cape Canaveral and enjoyed having their grandchildren observe these historic events. When she retired at 70, her coworkers gave her a signed photo of the space shuttle. After retiring, Ina was a caregiver for Willard. During this time, Ina worked towards a Religious Education degree, including time as an extension student with New Orleans Baptist Seminary. She completed several mission trips with her church teaching English as a Second Language.

In her early 80's, Ina returned to her hometown of Nashville and sang in church choir, helped at the food bank and served as a "Pink Lady" at the hospital and nursing home.

In 2013, she moved to be near her second daughter and resides in Alexander City, Alabama. Ina attributes her health to being active; loving to walk, exercise and read.

Madam Speaker, please join me in recognizing Ina and wishing her a very happy 100th birthday.

RECOGNIZING RECOVERY LIGHHOUSE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 4, 2021

Mrs. HARTZLER. Madam Speaker, I rise today to recognize an amazing group, Recovery Lighthouse in Warrensburg, Missouri.

Founded in 2006 by Dr. Adriatik Likcani and the late Mr. Douglas Quimbach, the organization began as a drop-in counseling center for individuals and families in the Warrensburg area. Today, Recovery Lighthouse offers outpatient counseling in Warrensburg and Sedalia. The organization also runs five long-term sober-living houses, the first of which was LIME Tree, a house for women in recovery. They now have two houses for women, two for women and children, and one for men, with another men's house opening soon. These houses give those in recovery a place to continue their sobriety, hold a job, and build interpersonal relationships until they are ready to live on their own.

Recovery Lighthouse offers training and development courses for their staff to provide them with the necessary tools to better understand what it takes to provide treatment and recovery support for individuals. This, along with partnering with their community to advocate for recovery, are just a few of the ways Recovery Lighthouse stays true to their mission of providing people with as much support as possible in a safe and caring environment.

Recovery Lighthouse is a truly wonderful organization working to help communities in Missouri's Fourth Congressional District overcome substance-use disorders and provide for them a helping hand along the path to full recovery. I commend Dr. Likcani and all the staff for implementing such a life-changing program and look forward to seeing them impact their communities for years to come.
